ADMINISTRATION, FACULTY, AND STAFF

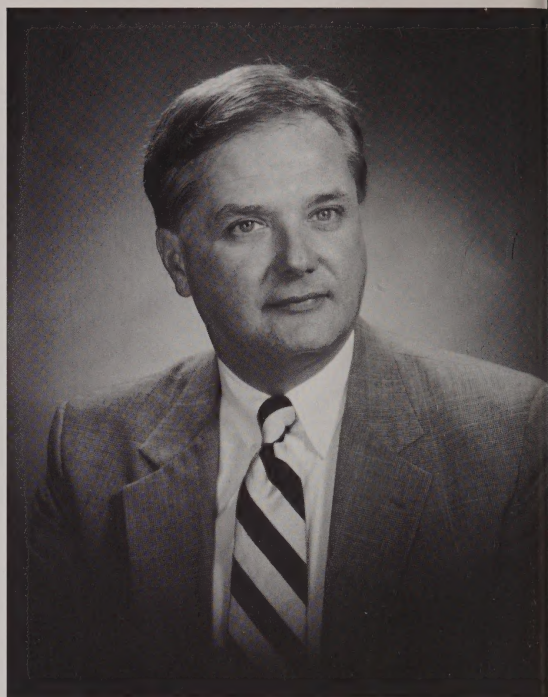

To the Class of 1996:

Four years ago, you began your high school career. I am confident that these four years were filled with many wonderful memories and successful experiences some of which you and I have been lucky enough to share together.

Your successes were made possible by the hard work and dedication of a tremendous group of professional educators. You have been fortunate to be associated with administrators and teachers who are committed to providing quality instruction and an excellent high school program.

As you finish one career and begin the pursuit of another, I can only hope and anticipate that you will apply the knowledge, skills, and experiences you have acquired to your best advantage. Acknowledge those individuals who have been a positive influence in your life. Continue to be successful in all of your future endeavors.

Dr. Richard Kisiel
Superintendent of Schools

To the Class of 1996:

I will always share a special bond with the Class of 1996. As you are ending your association with Dighton-Rehoboth, so shall I. I hope that you have enjoyed your years at this school as much as I have. If you have enjoyed your years just one small bit as much as I have, then you have had a pleasurable four years. Like me, you must have collected hundreds of fond memories that will sustain you for a lifetime. This yearbook contains a pictorial account of your final year at Dighton-Rehoboth and the many activities which characterized this very special time of being a senior.

You are about to learn that graduation is not an end -- it is another starting place in life. You are well prepared to face the fresh challenges of tomorrow. I hope that you are also eager to help create a new and courageous beginning. Your view of life will play a large part in any success that you might have. If you view success as a journey rather than a destination, then success will be possible. Keep an open mind and set your sights high.

You have our best wishes for a happy and successful future. Each of you has left something of yourselves behind at Dighton-Rehoboth that we will always remember. We hope that each of your teachers has made an impact on your lives. From me, you get a special thank-you and a special prayer for all of you. You will be remembered by me in a special way. Congratulations and good luck to you.

Mr. Marshall Sawyer
Principal

To the Class of 1996:

My best wishes to all members of the Class of 1996. I am hopeful that your education at Dighton-Rehoboth has prepared you for a lifetime of learning. Ongoing education is critical in these times, and you should seek out all opportunities for enhancing your knowledge and developing your skills. May your future be filled with success and blessed with good health.

George H. Petrin
Assistant Principal

To the Class of 1996:

Your years at Dighton-Rehoboth have helped to build a firm foundation for the future. Opportunities for knowledge, skills, values, understanding, and friendship have been plentiful. Grow from your past experiences and set your goals high for tomorrow. Use the gifts and talents that you have to live life to the fullest. May real success be with you always. Congratulations and best wishes to you, the Class of 1996.

Francis M. Marcille
Director of the Vocational School
Director of Occupational Education

To the Class of 1996:

An anonymous author has written:
"All glory comes from daring to begin."

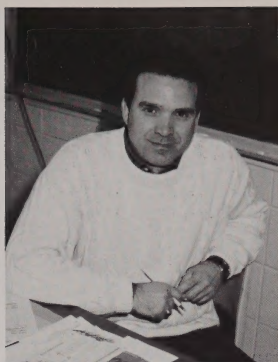

As you graduate from high school, you now face the challenge of selecting your future direction. I wish you well as you dare to begin this arduous task. May the people and events that impact your life bring you peace and happiness.

I wish all of you the very best that life has to offer. Choose wisely and love wisely. You deserve the best.

Chorus

Southeast District Festival

Each year in November, our music students compete against students from all over southeastern Massachusetts. A band, chorus, and orchestra are formed from the students who pass this audition. This year in January, S.E. District was held at Bridgewater State College. D-R was well represented. The participants, pictured above, were Jessalyn Sadler, Kimberly Miller, Rebecca Worden, Susan Doraz, Kristopher Hebert, Trapper Felides, Todd Belcher, and Fred Reiss.

All-State Festival

All-State is the most prestigious of the music festivals. To be accepted into the All-State festival, students must have participated in S.E. District and be recommended to audition for All-State. Auditions were held at the King Phillip Regional High School in January. The festival was held at the Sheraton-Danvers in March. Four of our students were talented enough to be accepted. They were, from left to right pictured below, Jessalyn Sadler, Kimberly Miller, Kristopher Hebert, and Susan Doraz.

Senior S.E.M.S.B.A. Festival

To participate in this festival, our musicians auditioned with students from 29 area high schools. A band, orchestra, and chorus were comprised of these students. The S.E.M.S.B.A. festival was held during March in the town of Sharon. D-R always has one of the highest representations. Pictured above, the D-R members were: 1st row: Allison Clement, Susan Doraz, Mary Lynch, Melissa Parrella, Rebecca Worden, Jenna Tinkham, Kelly Anderson. 2nd row: Kimberly Miller, Jennifer Therisod, Kevin Desforges, Emily Milot, James Doraz. 3rd Row: Melissa Misicka, Jake Skinner, Todd Belcher, Michael Santos, Fred Reiss. 4th Row: Kristopher Hebert, Benjamin Davis, Robert Davis, Trapper Felides, Michael Perry.

Junior S.E.M.S.B.A. Festival

Junior S.E.M.S.B.A. festival is open only to freshman. Musicians audition against students from 29 other school districts. Auditions this year were in Cohasset, and the festival was in Middleboro. Among the participants, pictured below, were Janet Nelson, Erin Lavoie, Katie Snee, Erin Toste, Camden Quint, Cody Perry, and Kerri Coleman.

The Dighton-Rehoboth Theater Company consists of students, faculty, parents, and representatives from our business community working together to enhance cultural experiences for the citizens of Dighton and Rehoboth as well as the surrounding communities.

The Company presents two plays every year. A dramatic presentation is given in the fall and a musical in the spring. The Company is always seeking new members with stage talent and for a supporting staff.

The French Club has a great variety of activities during the school year. The purpose of the club is to further students' understanding of the French-speaking world. Students are given the opportunity to become members of the Junior Alliance Francaise, a national organization fostering the dissemination of the French culture. A Christmas gala featuring French food and activities was held at Christmas. The spring agenda focuses mainly on the French exchange program. A group of twelve students and their advisors traveled to France for two weeks in April.

This year has been a successful one for the Latin Club under Advisor Magistra Loell. In the beginning of the year, club elections were held. We joined the Junior Classical League organization of 54,000, which is the largest extra-curricular student organization in the world. We are also a member of the Massachusetts Classical League. We attended the State Latin Convention in the spring. During Christmastime we had our Latin Christmas party, Saturnalia, at Jenna Poole's house. At the party, upperclassmen take the roles of the "slaves," and the underclassmen take the roles of the masters. There is also a small gift exchange. We attended a Latin Christmas Ceremony at Brown University in which every word was spoken in Latin. We sang songs such as "Silens Nox, Adestes Fedeles," and other Latin Christmas carols. In the spring we had another festival. We invite our new members to take part in our induction ceremony, which is a fun voyage through mythology where the inductees will cross the River Styx, meet Charon and Cerberus, the three-headed dog. But beware: you might meet Medusa on the way!

With the inspiring slogan of "I Scream, You Scream, We All Scream for Math Team," the Dighton-Rehoboth mathletes cruised through a stellar season. Under the skillful coaching of Mr. Alan Rabouin, the team participated in a total of eight regular season meets in two different leagues. Placing first in several of these meets, the group earned playoff berths in the two leagues with a shot at the championship in both.

Mathletes can also be athletes as demonstrated by the pool and volleyball activities at Mr. Rabouin's Math Team Bash at the end of the year. This is where the current members and alumni reminisce about glorious moments in Math Team history. This year's success resulted in fond memories that will last for years to come.

The *Falcon Flyer* has had a wonderful year. The staff was a bit skeptical when we changed to an entirely computerized layout and six four-page issues (instead of three eight-page papers laid out by hand), but this new technology has resulted in sleeker, more professional issues. Thanks to our two new layout editors, advisor Mr. Jeffrey Day, and a very well-organized staff led by qualified department editors, each edition was an excellent one, created quickly and efficiently and was filled with wonderful Dighton-Rehoboth news. Thanks to all who contributed to the success of the *Flyer*, and good luck to subsequent staff members!

The Portuguese Club is open to any student in grades nine through twelve who studies Portuguese. The club meets two to three times a month. The club's main purpose is to foster a knowledge of the heritage and culture of Portugal. The club organizes several fundraisers, goes on field trips, attends charity events, and participates in several foreign language activities during the course of the school year.

Project H.O.P.E.

Project H.O.P.E. (High Schools Organized to Protect the Earth) aims to raise awareness of environmental issues among high school students. It is a state-wide organization run by and for high school students who work together for environmental preservation. Members of this club meet under the direction of the advisor and carry out service projects such as water-quality monitoring, recycling, and helping to save endangered and threatened wildlife by providing support to individuals and organizations that work on habitat and species preservation projects. Our members also volunteer to work the annual City Year Serve-A-Thon in Boston. One of our most successful projects this year was the initiation of an in-school paper recycling program which is now running quite well thanks to Project H.O.P.E.'s Paper Recycling Teams and the cooperative efforts of the D-R students, faculty, and staff.

The Science Club was formed to give students an opportunity to pursue science activities and projects of their choice. In the first year of the Science Club, students participated in Peak Performance, the Science Olympiad, the Astronomical Society of Southern New England and the Ashdown Chemistry Exam. Club member Fred Reiss distinguished himself and his school by qualifying for the second round of the National Chemistry Olympiad by virtue of his top-twenty finish in the Ashdown. At this writing, he is one of 600 students nationwide participating in this event. In the final round, Fred was awarded highest honors. To qualify for this distinction, he had to score among the top 88 chemistry students in the country!! Congratulations Fred!!

The Student Government is an organization whose purpose is to provide input from the student body to the School Administration in order to help in decision-making and policy-setting. For example, this year your Student Government was actively involved in providing input regarding the qualities that students feel would be important in the new principal. School spirit, community service, and fundraising are other areas in which your Student Government is involved. D-R's Student Government is active at both the regional and state level and is regularly represented at SEMASC and MASC Conferences.

Many, many hours were put into creating each page, typing text, labeling pictures, and piecing it all together, and we hope the time was worth it. Thanks to everyone who contributed their efforts, especially editors-in-chief Ann Forstie and Kevin Desforges, editors Karen Flaherty and Clare Forstie, Chestnut Hills Studios, Jostens Publishing, and of course our wonderful advisor Mr. David Harwood. We wish the best of luck to next year's staff -- you have a tough act to follow!

Boys' Team

This year's boys' cross country team earned a second place finish in the South Coast Conference with a record of 7-1. The team's overall record was an impressive 10-1, losing only to Seekonk High School, one of the top teams in Massachusetts this year. The boys' team was led by senior co-captains Christopher Dawe and David King, who, along with junior first-year runner Michael Scanlon, were unanimous South Coast Conference All-Stars. The team was also awarded the Sportsmanship Award in the South Coast Conference, a very distinguished achievement.

Girls' Team

The girls' team was spearheaded by freshman Jane Hollinshead and junior captain Brooke Fitzsimmons. The girls' record in the South Coast Conference was 2-6; their overall record was 3-8. Even though the team's record was less than outstanding, the team was essentially comprised of underclassmen; thus, a promising forecast is set for the next few years. Jane Hollinshead was a unanimous South Coast Conference All-Star in her first year of Cross Country, a great achievement.

This season was both very successful and exciting; we captured our third straight SCC Championship. Led offensively by Jennifer Murphy's 14 goals and three assists and Sarah Donnelly's four goals and nine assists, the last game was a great 2-0 victory under the lights at Bourne to clinch the championship. Defensively, Jennifer Tremblay held the team together at center line with help from Melissa Farrell and Abby Backlund. A total team effort was the true key to our success.

It was also another successful season for the young and talented junior varsity team. They are a well-balanced team with an outstanding offense and defense. Many girls will be moved up and expected to help the varsity team next year.

Boys' Soccer

This season, plain and simple, has been the most successful season in the history of D-R soccer. South Coast Conference Champions, advancing to the quarter-final round of the MIAA South Sectional Tournament, and finishing with a 14-3-4 record are all outstanding accomplishments, ones that will be very difficult to match. Chad Hawksley, Casey Perry, and Kevin White were all named as All-South Coast Conference and Kevin White was named as All-State for the second time in his career. The senior members of this squad will be missed a great deal. The leadership and the involvement of these individuals have been instrumental to the success of this team. To our seniors, tri-captains Chris Borden, Chad Hawksley, Kevin White and Casey Perry, Seth Braga, Mark Fernandes, Jared Pray, and Adam Sammis, it has been a great four years, cumulatively, the best four years that we have ever had. In those four years, we never finished below the .500 mark, we qualified for the tournament in three of those four years, and we capped it all by capturing our first SCC title.

Girls' Soccer

The D-R girls' varsity soccer team qualified for the state tournament for the first time with an impressive 10-3-5 record. While the team had a well-balanced scoring attack, it was the solid overall team offense that provided the cornerstone for success. With only one senior being lost to graduation, the outlook for next season looks very promising.

The D-R Girls' Varsity Volleyball Team earned a 15-5 record which again qualified them for State Tournament play. The team overcame early injuries and illnesses to become a power in the S.C.C. The team's performance throughout the year improved, and the Falcons were great because of their conference record. The four seniors will be greatly missed, not only for their talent, but also for their leadership, enthusiasm and loyalty to the program.

The Junior Varsity Team posted a 20-0 record for the season, the first in D-R history. The combination of leadership, experience, and talent proved the difference as the Falcons became the cream of the conference.

The freshman team showed improvement, dedication, and enthusiasm which will help them and the program as they try to make next year's varsity or junior varsity teams.

This year's golf team enjoyed another very successful season, finishing with an overall record of 15-3 and an SCC record of 10-2, one-half game behind league champion Seekonk. In the State Qualifying Tournament, the team tied for third place with three other teams, and lost out on another trip to the State Finals after matching cards with Canton and Milton.

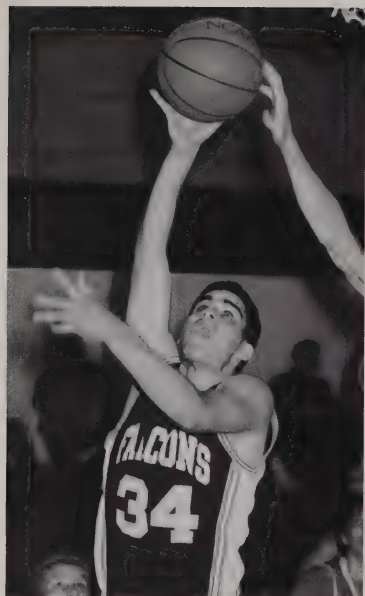

Several team members won individual honors. Seniors Michael Grasley and Jared Dyer were named to the SCC All-Star Team, as well as to the Fall River Herald and Attleboro Sun Chronicle All-Star Teams. Senior Matthew Collins was selected for the Sun Chronicle All-Stars and was an SCC Honorable Mention. Sophomore Daniel Lockhart qualified for the State Individual Tournament, where he finished a very respectable thirteenth. Junior Shawn Cronin was an SCC Honorable Mention. With a number of talented, enthusiastic players returning, the immediate future of D-R golf looks very bright.

Girls' Basketball

The 1995-1996 season was one of the most remarkable in the school's history. The Lady Falcons won the SCC Championship with a perfect 16-0 mark and won 21 straight games before losing the regular season finale. Despite being the smallest team in stature in the conference, the team used its depth and balance along with tenacious pressure defense to create many exciting comeback victories. Often trailing late in games, the team had a unique ability to find ways to win. Co-captain Jill Saxon and Carah Dawe were selected as Conference All-Stars while Jen Tremblay was named as MVP of the McDonald's Holiday Classic. The team earned a hard-fought tournament victory over Milton in one of the most exciting games in the history of the program.

Boys' Winter Track

The boys' winter track team had a very successful season. They lost the SCC crown by a mere 1/10th of a second when they lost the 4 x 400 relay to New Bedford Vocational at the line. They tied league champ Seekonk 43 to 43. Although there were no individual SCC Champions, there were three SCC All-Stars: Kevin White for sprints, Michael Scanlon for distance, and David Weeden for all-around. David Weeden was also named MVP. The season record was 6-1-1 overall and 4-1-1 in the SCC.

Strong pitching from Darcy Sherman and Jennifer Eaton and excellent defense from catcher Alissa Greene as well as a total team effort contributed to the team's success.

Boys' Tennis

The highlight for this year's D-R Boys' Tennis Team was a birth in the MIAA Division I South Tournament. With an overall record of 10-8, the team had its best season in over twenty years. Coach Rick Curt, in his ninth year, was the backbone of this year's tennis team. Co-captains Dale Joubert and Seth Braga supplied the entertainment and encouragement for the team. Christopher Ware, Mike Antonio, and Christopher Crellin did well playing the three singles positions throughout the year.

The 1996 Girls' Tennis Team, led by its four seniors, was very competitive in the SCC and recorded the best Lady Falcon tennis finish in eight years. Sharing the MVP award for the team were senior Vanessa Bertozzi and junior Kathryn Mayforth. The team retains a promising nucleus of returning players for the 1997 season.

Boys' Spring Track

The Boys' Spring Track and Field Team proved probably the most outstanding in Dighton-Rehoboth's Track and Field history. For the first time since 1965, the team posted an impressive 9-0 record, earning them not only an undefeated season of competition, but also a sole South Coast Conference Championship. The team was ably led by senior co-captains Christopher Dawe, Chad Hawksley, Adam Alderson, and David King. The team likewise garnered eight berths on the South Coast Conference's All-Star Team, truly an outstanding achievement. And perhaps equally significant was the team's distinction as the recipient of the South Coast Conference's Sportsmanship Award.

In individual accomplishment, the 4 X 400 meter relay team of seniors Chad Hawkley, David Weeden, Kevin White, and junior Jason Sarrey established a new school record with a blazing clocking of 3:26.6, eclipsing the previous twenty - year record of 3:32.1. This relay team earned a sixth-place finish in the Massachusetts All-Class Championships and an eighth-place in the New England Championships. Additionally, senior co-captain Chad Hawksley earned a sixth place finish in the Massachusetts All-Class Championships; a stellar performance.

The final achievement of the 1996 Spring Track and Field Team was winning the Massachusetts Decathlon for the entire southern section of the state, defeating outstanding teams such as Brockton and Bishop Feehan, once again a truly impressive achievement. The Decathlon Team was composed of seniors Chad Hawksley, David Weeden, and Christopher Dawe.

Boys' Spring Track

Girls' Spring Track

The 1996 Track and Field season was a surprising success for the Lady Falcons. After losing so many seniors last year and having so few returning experienced athletes, the team faced the real possibility of struggling to gain an even record. However, the enrollment of so many outstanding freshmen and some upper-class additions gave the Falcons renewed vigor this year. The team surpassed expectations and finished a strong third in the Conference and posted a 7 and 3 record. This year's success can be credited to the three captains, Jenee Olson, Rachel Poole, and Julie St. Pierre, who worked hard to discipline and focus their young team.

Several Falcons stand out for their individual achievements. Rachel Poole set a new outdoor record in the high jump while again dominating the Conference. She also became the first athlete to score in the class meet for four straight years. A major surprise was the performance of freshman Tabitha Stevens. She was the team's leading scorer with 131 points, and she was closely followed by Kerri Coleman with 122 points. This is the first time in the history of the program that a freshman has led the team in scoring and also the first time that freshmen have ranked one and two in scoring. Both Rachel and Tabitha were selected to the Conference All-Star Team. Kerri ended the season by excelling in the javelin in the last five meets to place in the state class meet. As a proof of the strength of the freshman class, four of the Falcons' top five point scorers were freshmen.

The Falcons had three athletes gain All-Star recognition this year. Rachel and Tabitha were joined by Jane Hollinshead, whose mile performances gained for her a conference meet championship and All-Star recognition.

A final word from the editor:

Dear Seniors,

Time is a funny thing. Looking back on the past four years, I realize how quickly it has passed. During those years, however, while we were actually living them, it seemed like we'd never get where we are today. And gazing into the years ahead of us, both near and distant, I wonder if they will seem as fleeting when we look back at them. They were, for the most part, wonderful years, each filled with memories that will not only stay with us for the rest of our lives, but will also influence us in ways we can only begin to imagine. In essence, the past four years have made each of us who we are today. I hope that this yearbook and all the others help to solidify that influence and everything you believed high school to be.

I wish the Class of '96 the best of luck in the future; from what I can see, we'll have no problems becoming successful. Just work hard, get a lot of sleep, and have fun. Oh, and don't forget your classmates. I know that no matter when and where we might meet again, we'll meet as friends, not enemies, certainly not strangers.

Finally, I would like to take this opportunity to thank the yearbook staff for their effort and support throughout the year, including Karen Flaherty and Angela Lombardo.
